

Errata Sheet for Interested Party Letter Regarding the August 2013 Oil and Gas Lease Sale

Due to a grammatical error, the following lease parcel identification numbers were transposed in the current version of the interested party letter sent on December 3, 2012 and should be corrected to read (the maps however show the correct parcel ID number):

Parcel **#6593** - TWP 43N., RNG 11W., SEC 18., 23rd P.M.;

Parcel **#6648** - TWP 4S., RNG 3E., SEC. 4,5,8,9., Ute Meridian.

These 2 parcels are presented on the attached maps and contain approximately 2,849 total acres. Parcel **#6648** includes approximately 2,569 acres located entirely on BLM managed lands northwest of the town of Delta, CO. Parcel **#6593** includes approximately 280 acres of Split-estate managed lands located in San Miguel County entirely on split-estate lands southwest of the town of Placerville, CO.
